Applies to: Insights and Premium Members. Subscriptions through Google Play on a Parent's Android phone or tablet

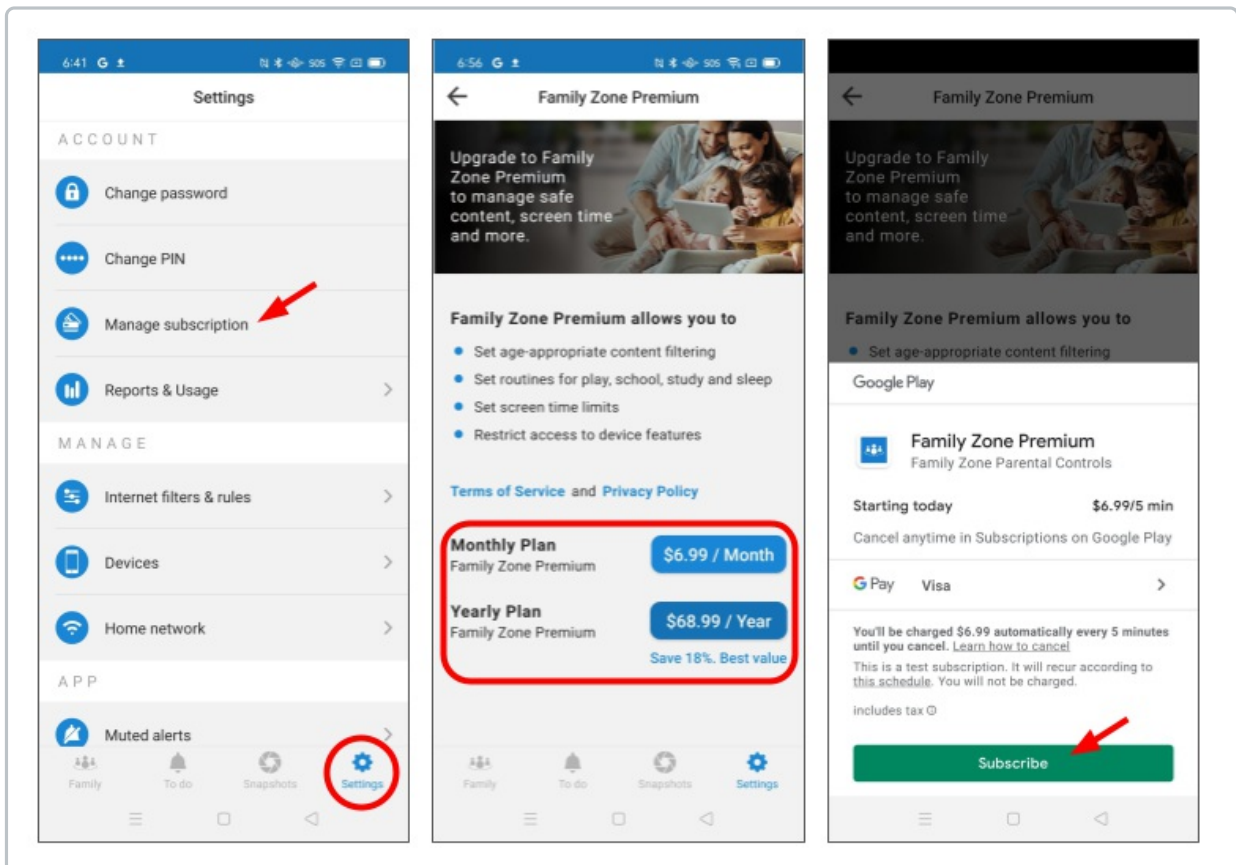

Article type: Recommended service

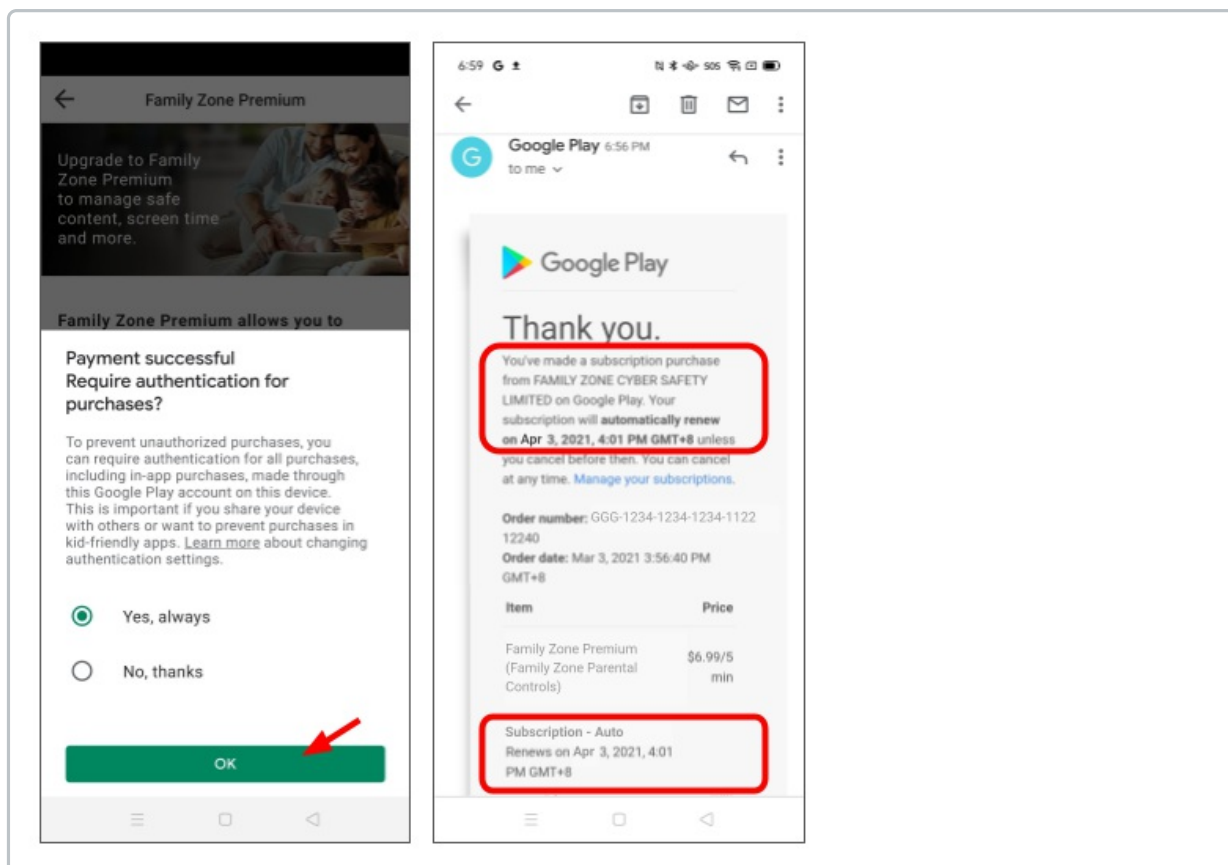

Premium Membership through Google Play

Premium Members can filter and block web content and turn off email notifications. Purchase a Premium subscription through your Google Play account to get the ability to filter and block unsafe web content.

Insights Members can monitor their Children's website activity. Insights Memberships are free. Insights Members get on-demand and weekly reports to use a tool to talk to their Children about safe online behavior.

On the Parent's Android phone or tablet:

1. Log into the Family Zone app as a Parent
2. At the bottom-right, tap Settings
3. Tap Manage subscription
4. Select the Monthly Plan or the Yearly Plan
Depending on your security settings you may need to login to Google Play
5. Tap Subscribe
Depending on your settings, you will be asked if you want to turn on purchase authentication
Or, you will be asked to authenticate if you already have purchase security turned on

You are done. Google Play will send a confirmation email to your email address in the Family Zone app. The email contains the date your subscription automatically renews.

See Google Play for more information on the subscription functions
