

Change a Child's Details in the Connect App

Last Modified on 2022-05-02

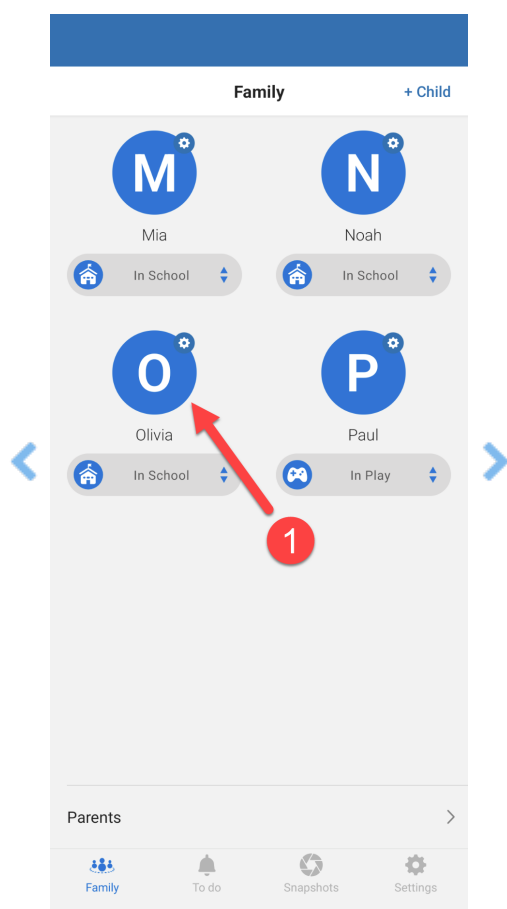

Applies to: Insights and Premium Members

Parent's app: Android or iOS

Your Child's Details

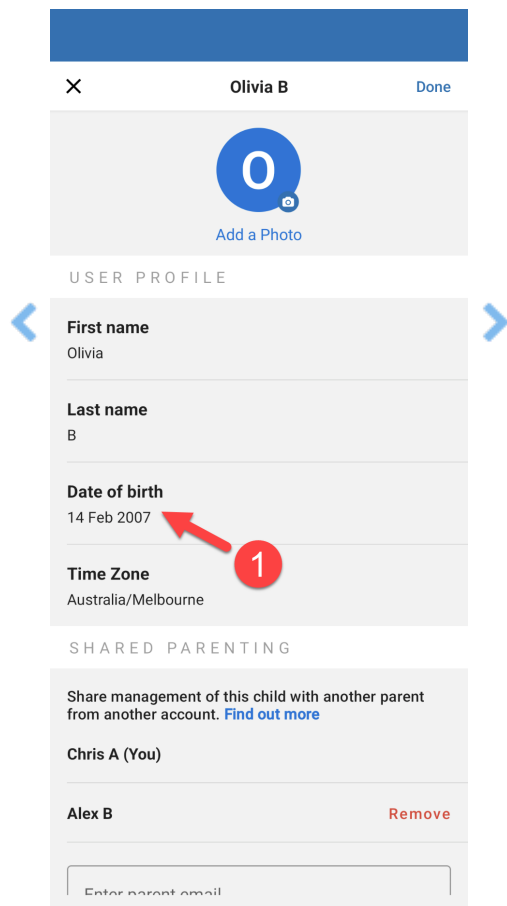

Parents can update a child's name, date of birth, and time zone from the Connect App.

From a parent's Android phone or tablet:

1. In **Family**, tap on *your child's icon*
2. At the top-right, tap **Edit**
3. If desired, change the **First name** or **Last name**
The Last name requires a minimum of 1 letter

Date of Birth and Time Zone

1. If you need to edit your child's birthday, tap **Date of birth**
2. Select the *year, month, day*, then tap **OK**
3. As needed, tap **Time Zone**
4. Go down and select *your country and location*
5. Tap **Done**

Where you see the details

First name and Last Name

- helps you recognize your child in Weekly Reports, Alerts, and the Connect App. The Last name must contain a minimum of 1 letter.

Date of birth

- used to match your child to online safety age profiles. Your child will automatically move to the next age group when they reach the recommended age.

Time Zone

- displayed in Insights and Premium Members' Weekly Reports and Alerts. Premium Members use the time to set access Routines (School, Study, Play, Sleep).
