

# Cancel a Shared Parenting Invitation in the Android App

Last Modified on 2021-07-15

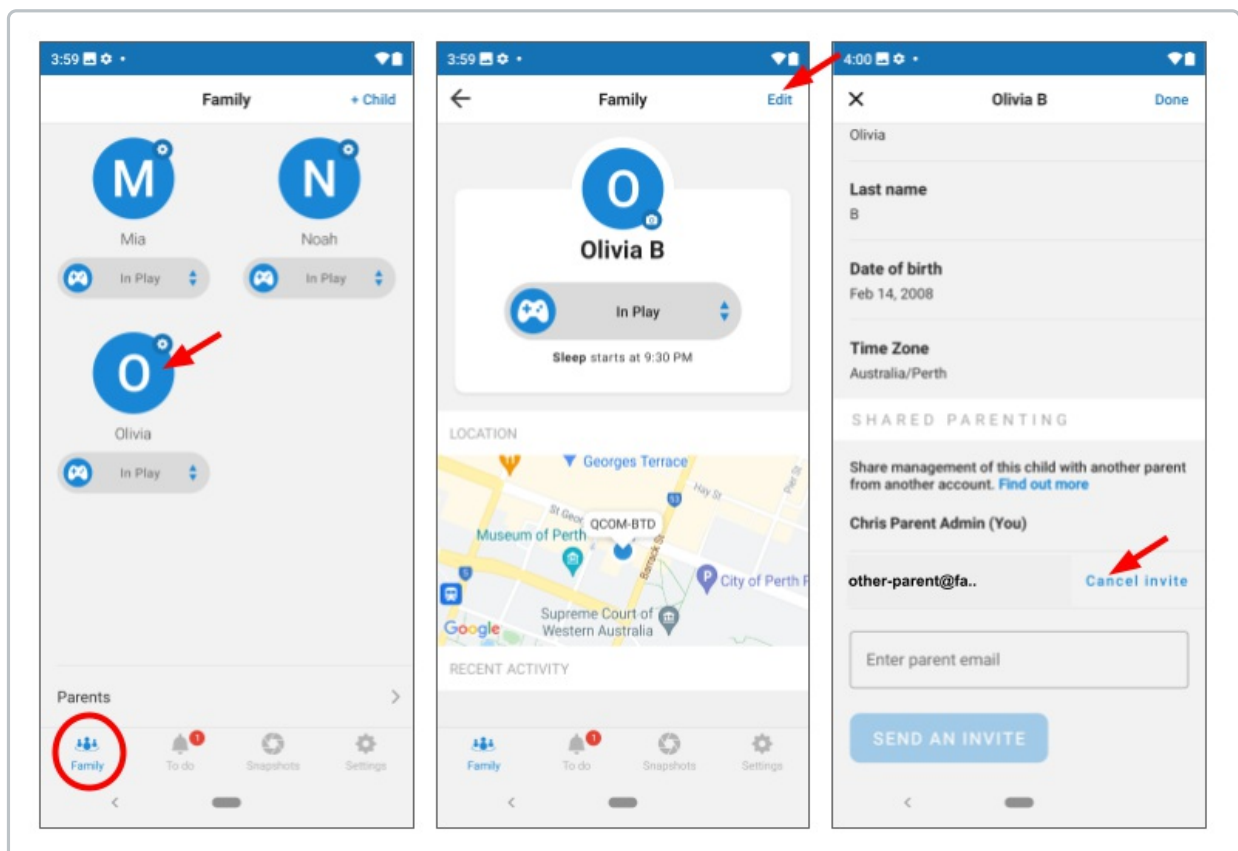

Applies to: Premium Members who invited a Shared Parent from an Android device

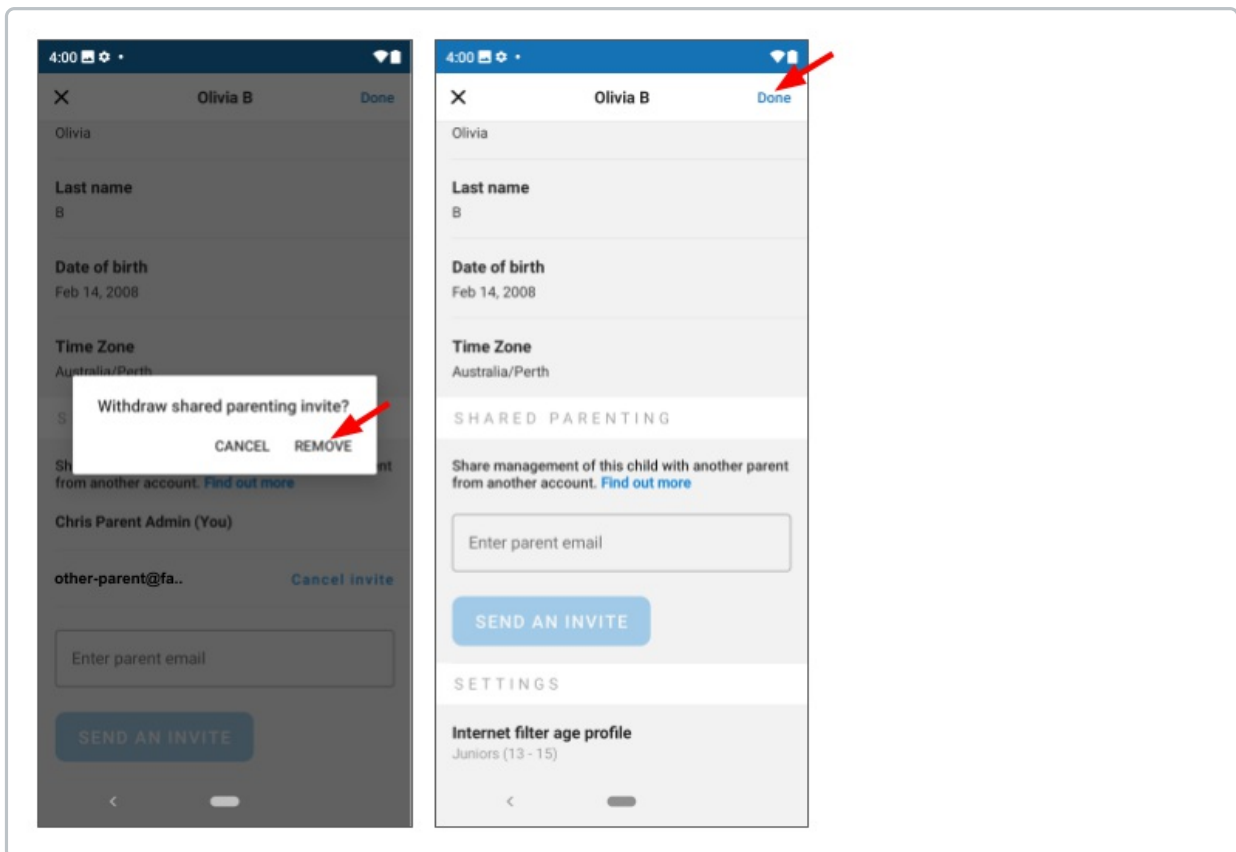

Article type: Advanced options

## Cancel a Shared Parent Invitation

The Primary Parent who invited another Parent or caregiver can cancel the invitation if the other Parent has not responded to it.

On the Primary Parent's Android phone or tablet:

1. Sign into the Family Zone app as a Parent
2. In Family, tap on your Child's name
3. In the upper-right, tap Edit
4. Move down to SHARED PARENTING  
Next to the other Parent's email, tap Cancel invite
5. At the confirmation, tap REMOVE
6. In the upper-right, tap Done

The link in the previous email invitations will no longer work.
