

Change the Power Plug on the Family Zone Box

Last Modified on 2021-12-02

Please note: The Family Zone Box is only available in Australia and New Zealand

The Family Zone Box includes an AC power supply with four interchangeable power plugs for Australia/New Zealand, Europe, the UK, and the US.

The power supply typically ships with the US adapter installed. Use these steps to change the power plug for Australian and New Zealand homes.

1. Choose a suitable adapter: AU, EU, UK

 2. To remove the US adapter, firmly press the button and slide the adapter up

 3. To install the AU adapter, slide the adapter on until you hear a “click” noise

 4. Continue with the [Install of the Family Zone Box](#)
